- I understand that proper completion of the permission/medical release form provides the best protection for my students' needs and my liability during an Oregon CTSO event.
- I have checked with my administrator and have secured authorization for my chapter to travel to this event and have reviewed all school/district policies regarding supervision of students on trips and will abide by them.
- The responsibility for the safety of the delegates from this chapter rests with people signing this Statement of Assurance.
- I will participate in all general sessions during the conference and fulfill my assigned responsibilities during the conference.
